GREETINGS

We invite you to the 2018 NeoBiotech Europe Symposium

Dear participants,

Welcome to the 2018 Neobiotech Symposium.

We are here today to share our developments and their clinical results. We hope you experience innovation and find our symposium interesting, stimulating and attractive to dentists at all levels to adopt or integrate the new areas of dentistry.

The symposium is offering 5 distinct presentations from an impressive lineup of 5 speakers to share their experience and expertise. Please enjoy your time at our symposium and discover the advanced implantology of Neobiotech.

Again, thank you for attending our symposium and becoming a part of this exciting event!
